Description of Categories:

Casual Wear: Casual wear can consist of an off-the-rack outfit or a custom-designed outfit made specifically for the pageant contestant. A contestant should dress fashionably and wear an outfit that highlights her personality.

Evening Gown: Flower girl dresses, Baby doll Dresses, Sunday Best Dresses, Pageant dresses... the dress is not the focus. It's the contestant in the dress. Sparkles and Rhinestones are allowed. You will see all kinds of dresses at the pageant. The dress you choose to wear will be just fine. This pageant is not about the dress, but how you project your grace and personality on stage while in the dress. As long as the dress fits well and flatters you, it will be perfect.

Photogenic: this is an optional category. You may choose to enter black and white, color or both. We ask that you submit only headshots, 8x10 print to be judged. Photos are to be turned in by **October 9, 2017** and will be returned to you at the conclusion of the pageant. Each photo should be labeled on the back with the contestants name and age and should be in a protective clear sleeve. DO NOT SUBMIT FRAMES. Judging is based on the contestant's photogenic features and the ability to come across well in print. Can't decide which photos to submit? You may enter more than one for an additional \$10 per photo, no limit of how many may be submitted. Staff will not be allowed to decide for you which photos to enter.

Description of Queens Awards:
